Termination Tool Cat. 6A

R516050
983294225
1 pcs

Termination tool for the R&M Cat. 6_A (ISO) module. Closes reliable all four levers of the RJ45 with one operation and terminates all 4 pairs at the same time. Helps to reduce termination time and increases ease of operation when bigger numbers of Cat. 6_A (ISO) modules have to be terminated. A fold out metal hook helps with opening the module and with removing the wires from the IDC.
